A December 12, 1966, review of the Utica, New York City Directories for the years 1964, 1965, and 1966, failed to disclose name of captioned individual.

Mrs. Irene Perkins, Credit Bureau of Utica, Utica, New York, reported on December 12, 1966, that her office records showed that as of September 20, 1965, Doctor Laszlo Tarnoi was a faculty member at the Utica College of Syracuse University, Utica, New York, and resided on Halsey Road in nearby Whitesboro, New York. She stated that these records, which include the nearby Whitesboro-New Hartford and Clinton, New York areas are favorable concerning this individual, but list no additional pertinent background information.

On December 12, 1966, a source, who has furnished reliable information in the past, advised that although the name, Doctor Laszlo Tarnoi, was unfamiliar to him, it was known he had been listed as a faculty member at the above-mentioned Utica College of Syracuse University for at least the school year of 1965-1966. This source noted it was possible that this individual had also been affiliated with other schools in the area, namely the Mohawk Valley Community College, Utica, New York, and Hamilton College in nearby Clinton, New York, but such employment could not be verified by the source.

The above source noted that Doctor Tarnoi was listed as a resident of Whitesboro and also New Hartford, New York, while at Utica College, and it was further known that there had been no complaints or adverse inquiries concerning him while at this institution.
